

2011/04/15

この度の東日本大震災により被災された皆様、また、それに続く福島原子力発電所の事故により、避難等を余儀なくされておられる皆様に、心よりお見舞い申し上げます。

当社は本年2月に福島県いわき市の四ツ倉工業団地内に土地を購入し、来年春の操業を目指し新工場を建設する予定でしたが、この度の震災及び原発事故に伴い、現在状況を調査確認し、計画を見直しているところです。いわき市当局の方々との連絡を密にし、現地の早期の復興に少しでも役立てるよう、微力ながら最善を尽くして参ります。今後の計画については別途、ご報告致します。

NRM would like to express our sincere condolences for those people suffered from the Eastern Japan Great Earthquake hit north-east part of Japan on March 11 and the consequent huge tsunami disaster, and also appreciate sympathetic words received from our partners overseas. Our plant in Yokohama is free from any damages and the employees are all safe.

NRM has purchased a part of land in Yotsukura Industrial Complex in the city of Iwaki, Fukushima Prefecture since February this year to build a new plant with the plan to start operations in the spring of 2012. Due to the Earthquake and the Power Plant accident in Fukushima, the plan is being reviewed in close contact with Iwaki city persons in charge. We intend to contribute to the early revival of the area with our utmost support and will keep you informed of the progress.
